

MUTE,
DEAF &
BLIND

A FILM BY TOM BLOCK & RAÚL PIÑERO

©2024

MUTE, DEAF & BLIND is a neo-noir action-thriller with a pulpy sense of humour. Imagine a ruthless killing spree in the vein of JOHN WICK, with the over-the-top characters of POLAR, but set against a gritty urban backdrop and a raw indie aesthetic reminiscent of Jim Jarmusch's iconic GHOST DOG.

Our proof-of-concept with a total runtime of 16 minutes is now completed. It can serve as a prologue within a feature film, or as a standalone short film.

LOGLINE

A homeless man witnesses the disposal of a strangled girl's body and gets caught up in a harrowing tale of human trafficking and the girl's sister's ruthless revenge.

MAIN CAST

LENA WHOOO as

Juicy Benganza

- *Josephine, better known as Juicy, has been through hell, and hell is what she's going to give to those that try to take advantage of her!*
- *Leaving her homeland to start a new life elsewhere was hardship enough, but losing her twin sister to a human trafficking ring was the final straw needed to turn her into a loose bullet.*
- *She's one hell of a badass b****, and yes, she's going to kill every single person that was in any way or form involved in her twin sister's death!*

**A TOUGH LIFE HAS TURNED THIS GIRL INTO A
RUTHLESS KILLING MACHINE!**

JOSÉ LUIS DE MADARIAGA as

- *Soap is a fish out of water, but a good soul that we will root for... Yes, the only truly innocent character in this movie is a homeless alcoholic who pretends to be mute, deaf and blind, but is none of these things!*
- *He's got nothing to lose, so he might surprise us, and go from zero to hero!*

THIS DUDE WILL ENDURE QUITE A BIT OF AGONY... BUT IN THE END, IT WILL ALL BE WORTH IT!

JOSEPH EWONDE JR. as

The Birdcatcher

- *This guy is a wannabe-philanthropist with a taste for classical music and Mozart, but behind the image of sophistication hides a master manipulator, whose true motives are anything but altruistic.*
- *Yes, he's holding a speculum, but no, he's not a gynecologist. What you're looking at here is a gruesome sexual predator. Was the strangulation of Juicy Venganza's twin sister an accident? Possibly... Probably not... You can't trust a word he says. Either way, the life of a young woman doesn't seem to mean much to him.*

**ONLY A SMALL FISH IN THE
GRAND SCHEME OF THINGS...
BUT A VERY PERVY ONE!**
